

Blue Mountain

Watchung Amateur Ski Club **Sunday Ski Bus Trip** **Blue Mountain, PA - February 7, 2010**

With the highest vertical in Pennsylvania (1,082 feet) and 158 ski-able acres, Blue Mountain offers something for everyone. There are 34 trails for all skiing abilities, with three runs that are over a mile long, and snowboarders will revel in the ride on their four terrain parks and snowcross trail. Whether skier or snowboarder, nine lifts—including the only detachable high-speed six-pack lift in the area—mean that you'll spend more time on the slopes, and Blue Mountain's intensive snowmaking and grooming assure perfect conditions on very slope.

Included in our Sunday Ski Bus package:

- ◆ Round-trip bus transportation from Mountainside, NJ
- ◆ Breakfast on the bus on the way to the mountain
- ◆ All-day lift ticket
- ◆ Après-ski snacks on the way back

Lessons and equipment rental available at all ski areas for an additional cost.
