

Watchung Amateur Ski Club Annual Club Outing and Race

Pico Mountain, VT - January 27-29, 2012

With more vertical drop than 80% of New England mountains, **Pico Mountain** offers mogul trails, glades, and groomed cruisers, all of which lead back to one classically-styled Vermont base lodge. First-timers can enjoy gentle learning trails and a new tow-rope, while more advanced skiers and snowboarders will enjoy finding their way into the glades on a fresh powder day. Pico's 50 trails, 214 skiable acres and seven lifts (including two high-speed quads) mean the slopes are never crowded and guests make the most out of their days.

Included in our trip package:

- ◆ 2 nights accommodations at the historic Inn at Long Trail
- ◆ Full breakfast Saturday and Sunday, Saturday dinner (menu choice)
- ◆ Live entertainment at the Inn's famous McGrath's Irish Pub
- ◆ 2-day Pico Mountain lift ticket
- ◆ NASTAR-style race

Note: This is a "drive-up" trip - carpooling is encouraged.
