## **Sunday Ski Bus Trip**

### **Windham Mountain, NY - March 7, 2010**

Windham Mountain is a family-friendly ski and snowboarding resort in New York's Northern Catskills offering an authentic, big mountain ski experience. Over the past three years, Windham's ownership has invested over \$10 million in the resort adding three new trails, four new lifts and many snowmaking improvements. The Windham Mountain Adventure Park added a bungee trampoline, rock climbing wall and an ice skating center (which is a skateboard park in the summer). The restaurant formerly known as Vines Bistro was renamed Trail's End Tavern & Grill and completely remodeled with beautiful timber, stone and copper elements. This year, the mountain made \$4.75 million in base lodge improvements and added 45 new snow guns, several thousand feet of new pipe and relocated dozens of existing guns for more snowmaking efficiency.
