

*Welcome to the  
Watchung Amateur Ski Club  
Est. 1938*

As our name implies, we are amateurs, but by "amateur," as our founders defined it, we mean a person who loves or is greatly interested in something. For all of us, that "something" is skiing—and the wonderful camaraderie that seems to just happen whenever skiers gather together.

We are a diverse, enthusiastic group with a common devotion to the sport of skiing. Our skiing abilities are varied; we have members at every level from raw beginners to seasoned experts. Never skied or can't seem to get off the bunny hill? No problem! We have plenty of members willing to teach, including a few professional ski instructors.

Each season, we organize a series of day bus trips to local ski areas in New York and Pennsylvania, and weekend and extended trips to New England. Once a year, we travel out West or to Canada for a week of spectacular skiing.

Our Club meets every Thursday (except Thanksgiving) in Mountainside, NJ for regular business meetings, and relaxed social events like pot-luck dinners, themed parties, and barbecues.

So, if you are looking for people to ski with, want to have some great times on and off the mountain, and like the idea of having a warm and welcoming place to go and relax among friends, you've found the right club!
