

I confirm that I have read the full CANCELLATION/REFUND POLICY (a link to the PDF is on this and every trip page) and understand that by registering and submitting my deposit, I am making a commitment to pay for the trip in full, and attend. Furthermore, I understand that refunds will be based upon the club's financial obligation to our vendors and packagers, and that WASC and its representatives will endeavor to recover what they can from said vendors and packagers on my behalf **ONLY in the event of an emergency cancellation.**
